From M62 West

Take the M621 Leeds City Centre exit J3 following signs for Leeds City Centre/Station.

At the third set traffic lights (ASDA HQ on the right) turn left into Water Lane, 500m take the left hand fork, SMC Gower Architects is on the left

On foot from Leeds train station

When exiting the train platforms continue to the exit straight ahead.

Cross the roads in front of the taxi ranks and go down the stairs in front of you.

At the bottom of the stairs turn immediately right and walk under the railway bridges along Neville street. You will see the Hilton Hotel on your right and KPMG's offices on your left after the bridges.

Continue to the next junction where Water Lane is the right hand turn in front of Bridgewater Place (a 48 storey steel and glass tower).

Continue down Water Lane until you reach a pedestrian crossing.

Cross over the crossing and continue past Matthew Murray House (number 97 Water Lane).

Walk across David Street and continue 100 yards down the footpath.

SMC Gower are at 105 Water Lane.
